REASONS FOR ALLOWANCE

4. Claims 1-19 are allowed over the prior art of record.
5. The following is an examiner's statement of reasons for allowance:

The applicant's Remarks, filed on 06/20/2005, have been carefully reviewed with update search. Consequently, reasons for allowance of claims 1-19 are set forth in according to the applicant's remarks stated on pages 9-12.

The prior art made of record fails to clearly teach or fairly suggest, the feature of a cooling system for a radio receiver comprises a signal processing unit, a cooling mechanism, getter material, heater mechanism, and an electrification controller for supplying electric power to the cooling mechanism and to the heater and operative such that whenever power is supplied to the electrification controller after a power interruption condition, the electrification controller always first supplies power to the heater and thus switching the heat on in advance before supplying power to the cooling mechanism, in combination with other limitations, as specified in the independent claim 1, 6, 12-13, 16, 17-18, and 19, and further limitations of their respective dependent claims 2-5, 7-11, and 14-15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
